

ODOR REMOVAL
ClenAir is a true odor neutralizer that removes odors from the air.

LONG LASTING
Enjoy hours of fresh citrus scent and odor control from the unique liquid odor neutralizing formula.

SAFE AND EFFECTIVE
For use in all applications and is an environmentally friendly formula.

DIRECTIONS

To remove odors, spray the ClenAir liquid odor neutralizer in the air of open spaces where objectionable odors are present, or spray directly at the source of the odor and surrounding areas.

HVAC Applications: Spray the ClenAir liquid directly into the return vent as the system is running. Additionally, the return filter, ductwork, condensate pan, and surrounding areas can be sprayed.

Plumbing: Pour ClenAir liquid down drains that are not regularly used and may emit foul odors. Spray around water leaks or after back-ups.

Restrooms: Spray ClenAir liquid around the toilet, sink, shower and tub to keep the room smelling fresh.

The ClenAir liquid can also be used in the Nu-Calgon Bio-Fresh Fogger or the ViroBlaster for quick and easy treatment of even the largest spaces.

MADE IN THE
USA

KEEP OUT OF REACH OF CHILDREN.

Always test fabrics for colorfastness. Avoid Freezing.
Contains (CAS#): 5-Chloro-2-methyl-4-isothiazolin-3-one (26172-55-4), Linalil (80-54-6), Benzyl Benzoate (120-51-4), Hexyl Cinnamic Aldehyde (101-86-0), Linalool (78-70-6), Methyl-4-isothiazolin-3-one (26112-20-4).
